EUCHRIST CEPPA BOXILL, daughter of the late Frank Bubb, was born on June 26, 1946 on the Island of Trinidad and Tobago. She departed this life on October 26, 2008 after a lengthy illness. She received her high school education in Trinidad. She received her certificate at Ron Thomas High School in 1985. Upon completion of her education, she became a full-time employee for seventeen years at Ellicott City Nursing and Rehab. She married professional soccer player Ulric Boxill and out of this union one child was born, Alicia Georgina Boxill. Euchrist was a loving and loyal member of her family. She was very positive and encouraging in her speaking, and would greet you with a smile. Euchrist was very hard working, very pleasant, patient, kind and loved the Lord and encouraged her family to do the same, always putting God first and the rest will follow. Euchrist favorite saying was, "GOD IS GOOD AND ALL IS WELL." She leaves to mourn: her mother, Ivy Bubb; her husband, Ulric Boxill; daughter, Alicia Boxill; granddaughter, Gabrielle Boxill; sister, Una Sylvester; three brothers, Maynard Bubb, Vivian Bubb and Martin Bubb; nieces, nephews, a host of other relatives and friends.

“ *To the family, I offer my sincere sympathy. It truly is unfortunate that we experience the sorrow associated with the loss of one we love. Rest assured that God purposed for us to live a long eternal life and his purpose has not changed. God offers the resurrection hope (Acts 24:15) for those who have fallen asleep in death and the hope of life everlasting (Rev 21:3,4) for those who exercise faith (John 3:16). May this provide you with comfort now and in the days to come.##imported-begin##Gwen Winston##imported-end##*

“ *Please accept my condolences for the loss of your loved one. First Corinthians 15:26 loving assures us that our "enemy death" will be destroyed and Acts 24:15 declares "there is going to be a resurrection." May you receive much comfort and strength from family, friends and the many loving promises found in the Bible.##imported-begin##Sharon Hill##imported-end##*

“ I love you so much Nana. I still haven't figured out why God works in such mysterious ways. But hopefully for a good and your in a better place because you were so grand to me. It's these days now when I wish you could call my phone 10 times and get on my nerves about oatmeal raisin cookies lol. Or I could get up and walk back and forth to the store for you. But again like you always told me "god works in mysterious ways". I love you always nana and you always remain in my heart.##imported-begin##Gabrielle Boxill##imported-end##

“ To the family of Euchrist, I offer my deep sympathy to you in your sorrow. Death touches us like no other event in our lives, because it is so hard to deal with. Believe me, God does not leave us in the dark. He wants us to know his grand purpose of restoring life back to our loved ones, and bringing about a new, peaceful world for all obedient mankind. 2nd Peter 3:13 tells us: "But there are new heavens and a new earth, in which we are awaiting, and in these righteousness is to dwell." Psalm 68:20 also lets us know that only Jehovah God knows the ways out from death; and because he loves us so much and hates to see suffering, he promises that we will see our loved ones alive again. John 5:28,29 promises that all those in the memorial tombs will hear the voice of his son Jesus and they will come back to life out of those memorial tombs. Think how wonderful it will be to see them again and be with them forever; never worrying about death seperating you ever again. This will one day all come true, and I would like to share with you God's grand purpose for us. Please contact me at my e-mail address, and I will gladly help you to understand God's wonderful purpose. May your memories of happier days be a sustaining force in your lives.##imported-begin##R Johnson##imported-end##
