“ *We attended Elementary School in Cherry Hill and in our 6th grade graduation class picture Eugene was tallest boy in picture. He was shy then. Once our elementary class students started having Cherry Hill reunion type lunches at Golden Corral he was always the life of the gatherings and what a good memory he had of school days and our teachers. He made u laugh and he was a good person. Glad to have known him.*

“ God saw you getting tired  
when a cure was not to be  
So He wrapped his arms around you,  
And whispered, "come unto me"  
You didn't deserve what you went through,  
and so he gave you rest  
God's garden must be beautiful  
He only takes the BEST

*Rest Peacefully Gene you will definitely be missed*

“ *To My Sister Stephanie and Family,*

*I shall always cherish the memories, the friendship and the love that Jay gave Stan and me. Just to hear his name or think of him always brought a smile to my face because he was truly one of a kind. He told it like it was - no holds barred. He was rich in wisdom and shared it willingly, even when I resisted it.*

*And God knows he was entertaining! I will never forget while at a family gathering Jay talked about how we, you and I , followed each other from Baltimore City Department of Social Services to Child and Family Services in Washington, DC to Baltimore City Public Schools. It just never really crossed my mind. But Jay knew and him talking about it was hilarious!*

*Jay was just a great person and I thank God for placing both of you in our lives. He will be missed, he will be celebrated and he will be remembered.*

*We love you and are keeping you and your family in our prayers!*

“ To the family of Eugene Jones, We are deeply sadden of the loss of Eugene our dear friend, classmate and neighbor from the Cherry Hill Community. When he came to our gatherings he brought back so many good memories of our wonderful childhood... His ability to retain facts and names of his friends from 1948 in school 159 and the community was remarkable. We share in your loss and thank-you all for sharing Eugene with us. May the God of comfort be with you now and forever.

“ *To the Jones family,*

*Many times we feel that no one can understand our pain when we lose someone near and dear to us. May it comfort you to know that our Heavenly Father shares in your distress (Isaiah 63:9) because he loves you (1 John 4:10). Please rely on God, by means of prayer, to be your source of peace (Philippians 4:6,7) throughout your time of bereavement. My condolences for your loss.*
