“ I wish to send my warm condolences to the family at this time of sorrow. She lived a long time compared to most people today, but it was merely a short time to Jehovah God who's desire it is for people to live everlastingly. When you go back into biblical times you find that most people lived 700, 800, and even 900 years. But as time went on, due to sin and imperfection, man's life span was shortened to 70 or 80 years according to Psalm 90:10. One day, because of the ransom sacrifice of our saviour Christ Jesus, no more will there be any sickness or dying, and people will be able to live forever without death hanging over their heads like a dark cloud. 1st Cor 15:22 promises: "For just as in Adam all are dying, so also in the Christ all will be made alive." All those in the graves will be raised back to life. Acts 24;15 May you have much peace and comfort from our loving heavenly father Jehovah, and his son, Christ Jesus.##imported-begin##R Johnson##imported-end##
