

Eurydice J Crowder

September 7, 1958 - October 10, 2020

Eurydice Jacklyn Crowder, daughter of the late Brodie and Dotharine Crowder born on September 7th, 1958 in Baltimore Maryland, passed away suddenly on Saturday October 10th, 2020.

Jackie as she was affectionately known by family and friends was one of which preceded her in death (Taft). She was an excellent cook and took incredibly good care of her brothers (Brodie, Carl, and Taft) in any way she possibly could. When their mother passed away in February 1978, she stood up and took care of the house to help keep her family going.

Jackie was educated in the Baltimore City Public School System and graduated from Northwestern High School in the class of 1976. She went on to work at Western Electric until its door closed some time in 1984. She then went on to work various jobs such as a Citibank Customer Service Representative, a cashier at the Weis market, and caretaker positions. She assisted in the caring of the late Mrs. Bernice Elaine Macer-Hardy, whose family quickly became her adoptive family. She absolutely loved her job.

Although Jackie never had children of her own, she loved and assisted in the care of her nieces and nephews when or if she was needed.

Jackie was a good sister, great aunt, and friend to all who knew and loved her. She will be sorely missed.

She leaves to cherish her memory two brothers Brodie (Angela), Carl (Wendy) four nieces April Brown, Tinaee Crowder, Tishina Anderson (Kurt) and Tiffany Gladden. Two nephews Brodie Crowder Jr, and Dale, five great nephews Konnor, Joshua, Jeremiah, Jaxson and Brodie Jr. (3rd). Three great nieces Kennedey, Kristen, and Dayonne. Shirley Medley (aunt), Alonzo Crowder (uncle), Thurman McMillian (uncle). Her goddaughter Maisha Graves, along with a whole host of cousins, relatives, and friends. Special shout out for her good friends The "Mosettas," Sheila "Necey" Graves who preceded her in death, Roxanne White, Patricia Hargrove, Terry Newman, Patricia "Fat Pat" Glover, and a good friend Dale Evans.
