“ *I'm sorry to hear of your lost and would like to share a comforting promise of Jehovah God. According to John 5:28-29 Jehovah has given Jesus the power to resurrect the dead. That means our loved ones lost to death will have the opportunity to walk among the living once again on earth. So we see death for our love ones is a temporary sleep. As Is 55:11 states nothing that God says will not return to Him without results. Heb 6:18 States it's impossible for God to lie. We can build our continued faith on God's word the bible.##imported-begin##Carter##imported-end##*
