“ *John and Libby,*

I'm so sorry to hear about mom's passing. What a wonderful mom and mother-in-law. I never dreamed that when I married John, I would have married into such a great family. In fact, I was closer to my mother-in-law than I was to my own mother. Mom was such a kind, wonderful and loving person. She loved her family so much. Mom loved cooking and entertaining. I never forget how she would start cooking the moment the door bell rang. She could feed a large crowd with little or no effort. I don't know how she did it. Mom, I will never forget your beautiful face and your kind and gentle smile. It was a privilege to have you as my mother-in-law. I will never forget you.

Love,

Arlene

“ *Hello Family. Peace be with us all at this difficult time. My earliest memory of Auntie Ev was her teaching me to play the piano and insisting that I master Chopsticks. I still remember the song she taught me to help me remember the tune.*

“ Dear family, I'm praying for your comfort and peace during this difficult time. One of my fondest childhood memories is the taste of Aunt Evelyn's ham, baked with pineapples and cloves. My mouth waters just thinking about it. I will always remember her smile and her laughter.
