Wife, mother, grandmother, great grandmother, sister, aunt, cousin, friend, teacher, and child of God, EVELYN JUANITA (MOORE) ROBERTSON is now with God and her firstborn son, Alexander Robertson, Jr. Born December 26, 1941 in Guilford County, NC, Evelyn was the third child to Ella Mae and James Moore. She spent her childhood in the close-knit community surrounding Dolley Madison Road in Greensboro, NC. Evelyn gave her life to Christ at an early age and was a member who served on the choir at Persimmon Grove A.M.E. Church in Greensboro, NC. After graduating from Dudley High School, Evelyn attended Winston Salem Teachers College where she was a clarinet player in the marching band. Evelyn received her Bachelor's Degree in Education (Pre K – 6) from Winston Salem Teachers College and received a Master's Degree Equivalency at Loyola College. She taught elementary education in Eden, NC, Oklahoma City, OK and Baltimore, MD. Evelyn was an educator for 30+ years for Baltimore City Public Schools and was known for being a compassionate educator who was dedicated to the teaching profession. She took her role as an educator very seriously. She played a huge role in shaping the lives of children wherever she taught. As a coworker and friend, she was authentic and light-hearted. At home, she was a caring yet firm mother and a loving wife. To family, she was a nucleus. Evelyn did what was right and operated at her best. Her passion was her family. She enjoyed good food, good music, family vacations, and a good laugh with friends and family. Evelyn Moore-Robertson was a classmate of mine at Winston-Salem State University from 1960 to 1964. We had not seen or talked to one another since our graduation day. We were both members of the marching and concert band. I remember Evelyn had a real laid back personality and a sense of humor.

Fortunately, our paths did cross after almost 49 years, when the planning for our 50th Class Reunion commenced. As a member of the correspondence committee, we were given a list of last known addresses, after which, we started making phone calls to verify the information. Evelyn's name was on my list and fortunately, after several attempts I was able to speak directly to her. We got caught up on our lives since having graduated and this was so great !

As she had always been, Evelyn was very gracious and shared information regarding other classmates that I inquired about.

I was supposed to call Evelyn several weeks ago; in order to discuss her participation in the 50th Reunion in October of 2014.

I am saddened to learn of my friend and classmate's passing. I am uplifted in a sense to have spoken to her before she made her transition. God's Peace and Blessings to everyone !

On behalf of the WSSU Class of 1964, I extend our condolences to the Robertson Family and extended Family.
