“ Please except my heartfelt condolences. The death of a loved one is such a hard blow to the family, and it's so hard to come to grips with the fact that they are no longer here to share life with us. Jehovah never desired this pain for us, and death is not a normal thing as many people believe. When Jehovah created man he created him with the prospect of living forever. Unfortunately our first parents didnt appreciate Jehovah"s blessings, and lost out on life eternal for all mankind. But it is God"s purpose to give us individually the opportunity for ecerlasting life through his son,Jesus Christ. If we obey his commandments, and exercise faith in Jesus who paid the ransom price, we will be reunited with our loved ones again when they are ressurected. “ I would like to send my fellow feeling to you all. Lossing a dear love after one almost 83 years breaks the circle of life .It has been year and still the effect can be heavy to carry and still with you all. Our heavenly father is always there with comfort, 2 Cor.1:4 ,at the right time. In the near future we can look with joyfull tears of happiness to see many of our love ones in the resurrection, John 5:28. I am so looking to that amd I know you all are too. May your days be filled with the gift of memories of Ms. Evelyn from our creator to keep on the journey of life.##imported-begin##L.D.C##imported-end##
