“ Winns Family and extended family, I just want to extend my condolences to all of you during this very difficult time. 😞 I know there are no words that I can say right now to take away the sting and pain all of you are feeling now. Our mothers and grandmothers play such a special role in each of our lives, and truly can't be replaced. Please know that you're all in my thoughts and prayers, especially for that comfort that you need now, and in the weeks and months to come.

(Isaiah 25:8)

With love,
