“ Our deepest love and condolences to the family. My husband has been a customer with Feezy for the past eight years and he truly loved him some Feezy and that says a lot because he is a very reserved person. Him and Feezy found out a couple of years ago that we were connected through our families being married to one another. And that was very special to us. I loved hearing all of the barbershop stories and he truly was a family man. Feezy was the epitome of an amazing Black man, including all his titles. Thank you Feezy for befriending our family. Thank you for the many smiles you put on our faces and thank you for being you. It has truly been an honor to know you at all.

“ *All I can say is damn, Again came up in the trade together and I remember you telling me you were making the change to full time barbering. As the years went stayed in touch and I'd come through for the occasional beard trim and we'd reminisce. I pray for your kids and wife in this time. Keep them lines tight in heaven. 🕊️*

“ *My heart aches at such a loss for Feezy's wife, daughters, sister, parents, and other family members and friends. I will remember his stories of you all that he shared over the years, and made me laugh. I got into the habit of asking about each of you whenever it was time for a haircut! I will miss this young man that I came to really care about. He had a great sense of humor, a big heart and expressed how much he loved his family with his humorous stories of you all. Heartfelt sympathy to Feezy's family.*

“ We meet EJ when he was 2 years old while visiting the Young Family in Beaver Falls, PA. His grandmother,our cousin, Sophronia Green was visiting with us over the summer. His sister, Natasha made sure he was secure walking and crawling around all these new cousins. To Everett and Carolyn we are praying the peace and love of God over the Phelps family as we know earth has no sorrow that will only heal in heavens time. We love you family.
