

Evernia Jane Harris

September 10, 1947 - September 30, 2022

EVERNIA J. HARRIS, affectionately known as Eve, daughter of late Scott and Drexel

E. Harris (Bruner), was born on September 10, 1947 in Dundalk, Maryland.

She was

preceded in death by her brother Wayne Harris and her sister Brenda Harris-Smith-

Sagee (out of 4 siblings), her grandson Antuan Adams-Jones (out of 2 grandchildren)

as well as many aunts and uncles and her close cousin Linda McGowens.

After a long

battle with sickness, she fell asleep in death on September 30, 2022.

Evernia was the Baby Girl of the family and a true peacemaker throughout the years.

Evernia was always supportive of her family and would always show love to all and

promoted peace and unity while providing support and help to all of us, her family.

Evernia Harris married Arnold Adams in late 60's and from that union, two children

were born, Arnold Adams, Jr. (Vicc), and Antonia Adams (Toni) whom she loved

dearly and did everything in her power to be that Parent that was there for

both her
children.

Evernia worked at Bethlehem Steel for a little while after she graduated from
Dundalk

High School in 1966 and then she went on to work for BG&E. Her continued
secular

job was at Xcel Energy after she moved to Denver, CO and worked for Xcel
Energy

until she retired. Baltimore was still her home so in December of 2007, she
moved back

to Baltimore where she continued to work part-time for Essex Community
College for

as long as she feasibly could.

Evernia had another Family that was important to her and that was her
Spiritual

family. Evernia dedicated her life to Jehovah in 1975 in the Dundalk
Congregation.

You could see the love that she had for Jehovah that permeated throughout
her life and

shined brightly to all that got to know her. Evernia took serious her relationship
with

Jehovah and told all that would listen about her God. Down to her last breath,
her

wishes were to see all her relatives and spiritual family when she opens her
eyes again.

Evernia had a smile that matched her personality because she smiled from
the inside

and you felt it when it was directed at you but she also knew how to make you
smile

with her wonderful sense of humor. Evernia loved to dance and was
charismatic as

well as elegant and it showed in every part of her life. Evernia was a very neat and

organized person in every aspect of her life and she upheld the standards of Jehovah.

Jehovah picked her because she was a selfless person with a big heart.

Through all her

hardships, she would give up her own happiness to please others.

Evernia did not just love people, she was a foodie. She loved food, smelling food,

and she loved tasting food. Eve liked identifying what seasonings were being used in

different dishes, especially if she liked it, because she would then try to make her own

version of the dish. She would watch food programs and pick out recipes that she

liked and just enjoyed watching the food network, so we can only imagine in the New

System, who will be tasting all the different foods Jehovah will have for us.

Evernia will be held closely in the hearts of her family that includes: her brothers,

Muhammad Ali and Michael Harris; her children, Antonia Adams (Toni) and Arnold V.

Adams, Jr. (Vicc); her grandson, D'Andre Adams and great-granddaughter; her nieces,

Lisa, Syeeda, and Liel; her nephews, Brendon, Stephen, Kareem, and Skyel; and a host

of great-nieces, great-nephews as well as great-greats, and other family and friends
