

## Ezek V. Gray

August 2, 1924 - June 5, 2002

Rev. Ezek Uarl Gray, son of the late David and Lillie Gray, was born August 8, 1924 in Norththunderland County, Virginia. He departed this life at his residence on June 5, 2002 after a lengthy illness. Rev. Gray received his education in Norththunderland schools. After completing high school, he enlisted in the United States Armed Forces, receiving an honorable discharge after twenty years of service to his country. He then married the late Pearl Gray, his wife of thirty-five years. He became and ordained minister at an early age. Rev. Gray was truly a child of God. Not a day went past that he didn't give God the glory. After years of work, he became a self-employed Caterer until his retirement. Ezek enjoyed talking about the Lord, while surrounding himself with family and friends. He loved to sing; he could sing and would sing. He and his brother Earl talked everyday, at least two to three times a day. Ezek referred to his brother as "Brother Boy." His sister Laura checked on him everyday also. She always said even when the load got heavy, she always allowed him to know the load is heavy, he's not heavy because he's not heavy because he is my lovable brother. When hospitalized it wasn't unusual for her to visit everyday. As the mountain got hard to climb, his sister Laura, niece Barbara and great niece Linda stood by his side. He leaves to mourn: his brother, Earl Gray and sister, Laura; brother, David Gray of Virginia; two sisters-in-law, Seressa and Christine Gray of Virginia; a host of nieces, nephews, great nieces, great nephews, great-great nieces, great-great nephews, and friends including a special friend, Robert Cole.

“ *The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*
