

## Mr. Fabrice So

April 28, 1992 - March 27, 2011

FABRICE KHALED NIZAM SO, son of Masso Traore and Simeon So, was born on April 28th, 1992 in Banfora, Burkina faso (West Africa). He departed from this life after a lengthy fight against an illness. He received part of his education in GASMO elementary school and middle school in Bobo Dioulasso, where he did early graduations because he was ahead of his classmates. He received his high school diploma from Baltimore Polytechnic Institute on February 17, 2011.

At the age of thirteen, for his graduation present from middle school, he chose to come with his mother to visit Baltimore and New York City (USA) for three months in summer 2006, before going back for high school. Unfortunately Fabrice started to get sick during his stays in Baltimore, where he was later diagnosed with a condition called Dilated Cardio Myopathy, and that is when his fight against medical diagnosis and prediction started. Fabrice had been sometimes told in 2006, that he had six months to live. He never gave up on hope and prayers; he always believed in miracles that his doctors, nurses, hospital staff whom he loved so much will make it happen. Fabrice gave his life to Christ and he believed that no matter what Jesus would not let him down. For the past 5 years, Fabrice lived in the peace of God as a good disciple of Jesus. He loved reading the Bible and going to church on March 27, 2011, Fabrice departed from this life to be with the Lord and Savior Jesus Christ of Nazareth.

Fabrice made numerous friends wherever he went with his smiles and good mood no matter what he was going through. He never let his disease change his mood or his love for people. Fabrice will be sincerely missed by everyone who knew him. He was always a true friend, a devoted son, brother, and uncle. He left to mourn his mother, father, two brothers, two sisters, a niece, and other relatives and friends

“ *You don't know me but as one of Jehovah's Witnesses I would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, especially when it is a young person. When a child dies, parents may cry out in anguish, “Why did God let it happen? Know first that Jehovah God did not want your child to die. Jehovah God does not take delight even in the destruction of the wicked, let alone the death of a child. Surely, he is deeply pained when a child dies. Soon death will be a thing of the past. When Jehovah God’s Kingdom rules without opposition over this earth, millions of children will be resurrected and welcomed back from the dead. And when all mankind is at last restored to the perfect state that Adam and Eve lost, then never again will anyone die—children included!—Revelation 21:3, 4.*
