“ *I knew her as Grand-Ma better yet the Good Samaritan, her son Paul (Pop) and my mom Janet were not married "traditionally" but had a bond for many, many years. When we as a family hit our lowest mark Grand-Ma took us in and feed us, and gave us shelter like the Good Samaritan that found the man wounded in the road, all could have helped but didn't except the Good Samaritan. She'll always be in my heaven; the highest state of my being and will be recalled as she was, a genuine servant of Him. Pope John Paul II pointed out that the essential characteristic of heaven, hell or purgatory is that they are states of being of a spirit or human soul, rather than places you go. Grand-Ma rescued me and my family from the condition of hell (being homeless)and invited us to heaven (warmth in place , in meal, and in love). May we all recall her through our actions of service. “ Today I was moved to tears just hearing about the passing of my beloved grandmother. I am the eldest daughter of late Dabney William Thomas. I concur with Marcus' written reference to her as a "Saint" although I've never had to call on her for a favor, I knew her to be the kindest of souls. She will be greatly missed.##imported-begin##Patrice V.Thomas -Worsley##imported-end##

“ Please accept my condolences for the loss of your dear loved one. 1 Corinthians 15:26 rightly tells us that death is our enemy and this same verse reveals: "The last enemy that shall be destroyed is death". Also, John 5:28,29 states: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out". May you receive much comfort and strength in the days ahead and every time you think about this wonderful hope from the Bible.##imported-begin##Mrs. Sharon Hill##imported-end##
