“ *To the family of Mrs. Hines:*

I wanted to send my deepest condolences to your family. May the memories of her help to ease your pain of sorrow.

When Jesus was on the earth, he healed the sick & raised the dead. He promised he will do this on a larger scale in the future. John 5:28 & 29 states, " Marvel not at this because the hour is coming in which all those in the graves will hear his voice (Jesus voice) & come out".

We can see our loved ones again, right here on this earth but under different conditions (Psalms 37:9,10,11 & 29).

I will keep your family in my thoughts & prayers.

Love,

“ *I am so sorry for your loss. May you find comfort in the scriptures at Revelation 21:4 " he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore"*

“ A word to describe Felicia..... "Golden". In every aspect and meaning of the word. To me she is the perfect example of a vessel of God's Love, Compassion, and Mercy. Always selfless and ready to aide without bias. Ever forgiving. Firm yet gentle. It is an honor to know her and her family. From my heart to your's.... I will love you always.

“ *I Said a Prayer*”

*I said a prayer for you last night,
I asked the Lord Jesus
to wrap you in his loving arms and hold you tight.
He replied don't worry Felicia is now in heaven
close your eyes imagine a peaceful quiet place
she's that angel watching drying the tears rolling down your face!
Just in case,
she told me to tell you
she hated to leave without saying how much she cares,
place your trust in the father hand all your burdens he will bear!
My heart still aches for my dear sweet friend,
the one who was always willing to help others
carry the load across town to the other side,
I never really said so, but I really did enjoyed the ride,
I said a prayer for you last night,
in the background noise
I'll listen to hear the echos
and whispers of those who knew best call your name!
I'll keepsake memories of you in my heart,
craved in a halo-shaped frame,
and remind myself that I already said one last prayer !*

“ I want to express my sorrow over the loss of your loved one. Losing a loved one is very difficult for family members. Thankfully the Bible offers comfort from GODS words in the Bible. GOD promises us that soon "death will be no more.. He also gives us the hope of seeing our deceased loved ones. You can read those words of comfort @ Revelation 21:3-4 and John 5:28,29.

“ to THE FAMILY OF MS HINES

The death of a love one brings pain to the family and friends. The Bible gives us great hope for the future. At Isaiah 25;18 tells us God will swallow up death forever and wipe Tears from all faces. Also in Acts 24;15 tells us that there will be a resurrection of both the righteous and unrighteous. I hope these scriptures bring some comfort to the family

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

God is too wise and too loving to put your destiny into the hands of another person. He doesn't want another person's actions to control your future. What you do from this point on is up to you! How you feel and how you react and what you say and what you choose and how you deal with the past is solely your responsibility! It's your decision!!!! Felicia decided to be happy and follow God!!!! Her name is written in The Lambs Book Of Life!!!!!! She will forever be thought of with a smile on our face. WE LOVE YOU FE-FE :)

“ They say there is a reason,they say that time will heal,but neither time nor reason will change the way we feel,for no one knows the heartache that lies behind our smiles,and no one knows how many times we have broken down and cried.We want to tell you something so there wont be any doubt,your so wonderful to think of,but so hard to be without.We cannot bring the old days back,when we were all together,our family work chain is broken now,but memories live forever.....we miss you and love you,rest in peace .
