“ The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##

“ -- "Accepting" -- Loosing someone close is always hard to accept. But loosing a mother hits closer to home and more in-depth. We are condition to accept when it's time for her to move on. Not prepared to accept that never will she return forever she is gone. You must accept and believe that she is finally home. Accept that she is peacefully resting and in your heart she will forever live on. Please accept Pat Harris & her Family's blessing, love, and understanding of your precious loss.##imported-begin##Pat Harris & Family##imported-end##
