“ Condolences to the family. We as you will deeply miss Mrs. Florence. We find ourselves going through our memory banks of 34 years of being her neighbor. The last time we saw her she was sitting on her porch (looking really good) and the last words she said to us was "don't eat salt!" although I don't eat salt whenever I see the shaker I hear her saying that to me. "smile" She will truly be missed, and we are the richer for knowing her.
