“ Florence and I met at The Maryland School for the Blind a few years back when she started working with my student. She was a nice person with a wonderful smile and an infectious laugh. We would talk about many things and talk about the joys of life. Florence loved her job and she loved the students. She prepared us delicious meals and you would often hear her belting out John Legends song All Of Me. She talked of her love of the Lord her Family and traveling....Florence I cant believe you are gone, Rest in dear one.
