

## Florence Garcia

January 17, 1920 - November 26, 2002

Florence Garcia, daughter of the late Carrie and Joseph Campbell, departed this life at 3:00 a.m. on November 26, 2002. She was born, raised and educated in Baltimore, Maryland. On April 5, 1977, she was married to Mr. Paul Garcia and they were happily united until he was suddenly called from labor to reward. No children were born of his union, although she had a special fondness for children. Those who knew Florence knew her to be industrious, hardworking, competent, and devoted; not only to her dearly beloved husband, but also to her family and friends. During the 40s Florence worked at Glenn L. Martin of Baltimore, Maryland for several years. Later, she was employed by the Baltimore City Public School System until her retirement. Though she had been ill some time ago, we were astonished and shocked by the return of her illness. We did not want her to go; however, we do feel that being spared the ordeal of long suffering rewarded her. Family and friends loved her. All of us will remember her for what she was to each of us. She will be sorely missed. She leaves to mourn two brothers, Theodore Campbell and Arthur Campbell; one sister, Nellie Underwood; one sister-in-law, William E. Underwood; nephews and nieces and a host of other relatives and friends.
