“ *I have known you since I was a preteen. Always kind, mild mannered, and generous. You never judged me or treated me any different than Michelle (as I always heard you refer to Hope when we were kids). You allowed us to do things (like driving your vehicles) that many parents would have frowned upon at that time, but it kept us from sneaking around and getting caught out. You even went out of your way to hire an attorney for us all when we weren't on our best behavior. I remember you leaving out in the evenings (from 155 of course) headed to PM while we were in there cutting up...oh the fun we had! Over the many years that Hope and I have been friends, I never ever remember you changing who you were. Momma Flo, you have always been the sweetest soul and will always be remembered as the sweetest soul. May your body and soul now rest peacefully💜*
