“ Dear Family and Friends,

I am writing this letter to honor the memory of my beloved uncle, who recently passed away. It is difficult to put into words all that he meant to me and to so many others, but I want to share a glimpse of the remarkable man he was.

My uncle was truly a gentle soul, known for his humor and kindness. Throughout his life, he had a wonderful way of making those around him feel special and valued. He brought joy into every room he entered, and his laughter would light up the darkest of days.

Whether sharing a joke or simply offering a warm smile, he had a unique ability to uplift everyone around him.

Having been married for 51 years, my uncle exemplified what it meant to be a devoted husband and family man. His love for his wife and family was evident in everything he did, showcasing the deep bonds he created throughout his life.

After retiring from his work as a Greyhound bus driver, he embraced his new chapter with the same passion and dedication he had shown in his career. Driving countless passengers and bringing them to their destinations, he also took the time to share stories and laughter along the way. The impact he had on those he met is immeasurable.

I will always cherish the summer I spent with him and his family. I remember the day He got off of work and took me skating boy, Did I have a good time.

As we gather to remember my uncle, let us celebrate the laughter he shared, the love he gave, and the lives he touched. Though he may no longer be with us, his spirit will forever remain in our hearts. I am grateful for the time I spent with him and the lessons he taught me.

Rest in peace, dear uncle Floyd. You will be dearly missed but never forgotten.

*With love,
Your oldest, nice Veronica.*
