“ Hey big brother I can't believe that tonight marks your fifth anniversary since you went home to be with the lord. It still seems alittle unfare but there's nothing that we can do now but to keep your memory alive. Over the years I can mention your name without tearing up, but it's nights like this we wonder how your last hours were if there was anything we could have done to prevent this. But I am so sad floyd we will always feel like you belong here with us. You i will always wish that it was some way we could have been there to protect you, but i know that God was with you that day. Looking at your picture is to much at times. Because that smile reminds us of that smile you always had always happy when you come around. I know you are in heaven watching over us all, And you are having a great time can't wait to see you again. Keep some space for us. We LOVE YOU SO MUCH FLOYD Loving Family!!!!!!

“ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future and our loved ones who have lost their life to our enemy death.##imported-begin##Carter##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##
