“ My sister and friend, Shade. The times we'd spent together. You have been in me and your godson, Anthony Parson - Aj, life for almost 28 years. I'll never forget our laughter, some tears, conversations via text or via phone, or Aj and my pop up visits to Bojangles or coming by you and Anthony's home. I can't thank you enough for telling me that it was best to get your godson out of Richmond and back to the country. You were right. When you had last shared with me how we always find our way back into one another's life, we will remain in one another's life, your health report, sharing about your grand children, Ife and Lateefah, your trips with the family, and the different signs you received and shared with me from God 🥹💔, I wanted to ask you then sis if everything was ok but I couldn't bring myself to do so. Know that you will always have a special place in Aj and my heart. Fly high like a dove. You are now free and in Heaven with our Lord God watching over your children, grandchildren, Anthony, the family, and us. Forever missed~love sis/friend Alice Michelle Parson and godson Anthony Marquis Parson 🦋
