“ To the family and friends, I offer my sincere sympathy. I did not have an opportunity to meet your loved one, however I know the sadness associated with the loss of one you love and I know the comfort offered by God in his Word the Bible. Please read John 5:28,29 and Acts 24:15 which talks about the hope of a resurrection for the righteous and the unrighteous. After reading these two scriptures please turn your attention to John 3:16 and Matthew 20:28. These two scriptures tell us why we can put faith in the promise of a resurrection. May these provide you with comfort and hope as they have for me.##imported-begin##Gwen Winston##imported-end##
