

## Frances J. McGee

April 7, 1928 - August 28, 2005

Frances (“Betty”) Jean McGee, daughter of the late George Turner and Frances E. Dorsey, was born on April 7, 1928 in York, Pennsylvania. She had one sibling, the late George Turner. “Betty”, as family and friends would call her, grew up in Baltimore City. She received her education through the Baltimore City Public school system. Betty married the late Clarence M. McGee, Jr. in March, 1960. No children resulted from that union. Betty held many jobs during her tenure but her enthusiasm seemed to be with the last position. That position was with “Noxell”, presently known as “Proctor and Gamble”. She joined the company in 1974 and retired in 1990. She adored all of the products the company made but she loved her co-workers more. Betty enjoyed retirement life for a good while until one day in October, 1999 she did not feel well and fell to her illness and was found in her home many days later. We knew then that she was Touched By An Angel. She was hospitalized, rehabbed and released to return home. The beginning of her rehab tenure was trying and difficult, but after a few more visits to the hospital and medication adjustments, everything went well. Betty endured this illness for approximately six long years and now her struggle with life has ceased. On Sunday, August 28, 2005, Betty departed this life peacefully. Glory Be Unto You, God You’ve Taken Her Home With You. She leaves to mourn: her sister-in-law, Bernice; niece, Diane; four nephews, George, Russell, Kenneth and Timothy; two nieces-in-law, Cynthia and Terry; two great nieces, Davina and Tyresha; one great nephew, Rodney; and a host of cousins and many

friends. "We Love You Aunt Betty, We Miss You and You Will Always Have A Home In Our Hearts And Minds; And, We Shall Share A Home With You Again, Someday, We Promise."

“ *My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##*
