“ I remember Mr. Frank from my mom Marian (PooPoo). They grew up in the same neighborhood. Whenever Mr.

Frank was around it was always laughing and good jokes. So sorry to hear this. Praying for his family. Hopefully they will laugh again in heaven together. Zina Hicks

“ Frank and I became friends after his family moved to 37th Street. We played football for Fulton and attended Armstrong and Walker High School. We also caddied at Oakhill Country Club; and we both worked at Dupont, while completing high school. We both served in Vietnam and came back home.  
RIP my friend. Bus Collins

“ Mr. Frank and my parents were friends for probably over 40 plus years. Mr. Frank and my dad Robert (Beanie) played golf and always had some great laughs. I can still hear their laughs that echoed in the room. Especially with Mr. Frank! There were so many memories of traveling, social functions and golf. Sending prayers to the family on behalf of myself and my mom Jody.

“ Frank and I became friends in our adolescent years when I lived on 32nd Street across from the park. We were sometime mistaken as brothers since some folks thought we looked a like. Throughout the almost seventy years I have known Frank; I didn't know until now we were born just days apart. RIP my friend
