“ *Butch was my big brother. I had just got my first job as a waitress at the enlisted men's club. I was only 16 but said I was 18 to get the job. Butch really took me under his wing and made sure I was properly covered. It was because of him, that I was protected and wasn't taken advantage of by anyone.*

“ *Butch was a good person and good friend. He was always there for my late brother James Allen known as Junior since they were small children. I loved to be around him always laughing and smiling. He made you feel relaxed and comfortable all the time. Butch you will be missed by all who knew you. RIP. Prayers for the family from the Allen Family*
