

Franklin Delona Williams Jr.

October 29, 1965 - January 15, 2022

FRANKLIN D. WILLIAMS, JR. - Son of the late Franklin Williams and Ellen Delores Williams, was born October 29, 1965 in Baltimore, Maryland. The Lord suddenly called him into eternal rest on January 15, 2022 after suffering from an illness.

Franklin attended Woodlawn High School which he graduated from in 1984. He earned a certificate in Electronics 1 & 2 after completing a two-year program at Western Vocational Technical School. Franklin worked several jobs; but his two favorite that he always liked to talk about were Bon Secours Hospital where he did dietary and utility clerk work and at the Marriott Waterfront Hotel where he did catering services.

Franklin known as Nitti & Hoie was a loving and caring person who would do anything for his family and friends. He loved his grandchildren, daughter and fiance' : everywhere he went you would see them together. He has been with his fiance' for over 35 years and never left her side no matter what. He may not have had much to give materially but his love and commitment was enough; his loyalty to his family was uncompromising. He had his struggles in life, but he had so much respect for people no matter what he was facing. He loved playing the lottery and his music; you could always catch him with his stereo and speakers. One thing he didn't play about was his hair! You would always see him brushing it.

Anybody that knew him knew his mom was his heart. He was such a mommas boy and always spent hours on the phone talking to her. He was a big Ravens fan and enjoyed watching the games and spending time with his family. Everywhere he went he was well known and well respected. Franklin truly had a heart of Gold.

He leaves to cherish his memory his mother Delores Williams, Brothers Montray Williams, Randy Morton, one sister Ashaunt'e Williams, fiance' Tracy Chester, Daughter Keyonia Williams, step-son Richard Harrison, grandchildren Ja'Lee and Jermaine Copeland, four nephews and a host of family and friends.
