“ Please accept my condolences for your loss. Although death is something we can't escape at present, things will not always be this way. Jehovah God created mankind to live forever in a paradise earth, and even though this is not the case at present, very soon his will will be done on earth just as it is in heaven. Isaiah 45:18 lets us know that he didnot create the earth simply for nothing, but created it even to be inhabited. Also Psalm 37:29 tells us, "The righteous themselves will possess the earth, and they will reside forever upon it." Will the world be filled with violence and saddness as it is now? NO., because 2nd Peter 3:13 tells us, "But there are new heavens and a new earth that we are awaiting according to his promise, and in these righteousness is to dwell. What about the dead? The bible says that after Jehovah creates this new earthly paradise, then he will raise the dead back to life. John 5:28,29 tells us, "Dnot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out. So family, we can be reunited with our dead loved ones again in a beautiful paradise of peace. Can we really believe these things will take place. Yes, because Jehovah is a fullfiller of promises. His word never fails. Isaiah 55:11. So I pray that you find comfort in his word, as well as in your cherished memories of your loved one.##imported-begin##R Johnson##imported-end##

Mr. Fred was 73 years old, the bible say at Ps.90:10 , that some persome will live to be 70 and others will live to be 80 because of speical mightiness, a great age.Imagine the happiness that will enjoyed by many when our dead loved ones are resurrected. I am looking forward to that time coming in the near future. I hope these few words are uplifting to read. My fellow feeling, Crosby.##imported-begin##Lillian Crosby##imported-end##
