Freddie has always been a child of GOD, but he came to really know the Lord in 1989 when he started to build a personal relationship with Christ. “ *To the family of Mr. Bryant I offer my sincere sympathy on your loss. The remedy for death is the ressurection. Jesus showed his deep love for people while on earth by ressurecting many. He felt the deep pain we feel when his friend Lazarus died. When Lazarus died John 11:35 says, "Jesus gave way to tears." Then he brought Lazarus back to life. Jehovah God and his son Jesus long to see all the dead come back to life, and in due time they will fullfill this promise. Jehovah gave his son power to ressurect many. That is why Jesus said, "I am the ressurection and the life." He that exercises faith in me, even though he dies will come to life." May you be comforted in knowing that we will be reunited with our loved ones again.##imported-begin##Rita Johnson##imported-end##*

“ My sincere condolences for the loss of your dear loved one. First Corinthians 15:26 assures us that our enemy death will be destroyed in God's due time. There is hope for our dead loved ones because Acts 24:15 declares- "there is going to be a resurrection". May you receive much comfort and strength as you ponder over these loving promises from the Bible.##imported-begin##S. Hill##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
