“ Lachelle,

We the Division of Program Support Services would like to give our deepest sympathy and prayers to you and your family at this time. Lachelle, always remember it will be the little things that you will remember about your daddy like the quiet moments, his smiles the laughter. Although it may seem hard right now, it's the memories of those little things that help to push the pain away and bring your smiles back again. May you find strength in the love of family and in the warm embrace of friends as you go through this journey.

*Your Friends,
Akia, Rosetta, Sheila and Jeri*

From one Hasty to another Hasty may we find joy with knowing the battle is over and now Uncle Freddy can rest. It's left up to us to continue his legacy by loving each other and bridging the gap between being so distance. I love you and forever will Uncle Freddy live through us.
