“ I send my deepest sympathy to the family of Frederick. One day God promises that the dead will come back to life. Many scientists and doctors have been trying to unlock the mystery of why people die. They will never be able to, because only Jehovah knows the ways out from death. Psalm 68:20. He created us all, and only he has the power to restore the life force back to those who have died. Not only does he have the power to do this, but he also has the desire, because he never desired anyone to die. He sent his son as a ransom, so that we might have life and have it in abundance. John 10:10. One day the dead will all be ressurected back to life, because Acts 24:15 says that there will be a ressurection of both the righteous, and the unrighteous. May you be comforted by this wonderful promise, and may your precious memories of Frederick help you to endure.##imported-begin##R Johnson##imported-end##
