“ It's soo hard to know your really gone Gaaron. I am still in serious shock. Seems like yesterday when I moved to VA and met you at Dumbarton. You were quiet and VERY shy. You would never talk or laugh with anyone. I was always tried to cheer you up and make you laugh and it worked here and there. I just can't believe it, you never know who you have until they're gone. We was just talking not too long ago too man. You just hit me up on myspace and I didn't even know who you were. It's crazy man, real crazy. Save a spot up there for me Please. Stay up.##imported-begin##Alianna Lopez##imported-end##
