“ *I was just browsing and baby Gabriel touched my heart. I had twin boys . Ashton was born on 6/24/10 and Chaise was born on July 6, 2010. they both passed away. I truly know how this family feels.. I did not know how I would get through such a difficult time but I am still standing today. I would like to leave you with these words of comfort: Some of life's best treasures are kept in heaven: Ashton , Chaise and Gabriel!*

“ my deepest sympathy goes out to all of the Womack family and friends i know all to well the pain of losing a very much loved baby in the family.I have a few comforting words that i would like to share with you not my words but from the Almighty ceator of life Jehovah God! In his word the bible he has a marvelous promise for us at john 5:28,29 where it says Do not marvel at this (death) ,because the hour is coming in which all those in the memorial tombs will hear his voice(Jesus) and come out...Also at acts 24:15 it says There is going to be a resurrection of both the righteous and the unrighteous. These ones will ones will be restored to life to be tought how to be viewed as righteous in gods eyes by righteous mankind in harmony with psalms 37;29 which says the righteous themselves will possess the earth and they will reside forever upon it. And the last bible account i'll leave you today that is very faith strengthing in this marvelous promise for a resurrection of all our dead loved ones is at luke 8:49-56 please read this scripture with your family and friends to find comfort and a real hope in this greatly need time!

“ Gabriel,  
Although I did not have a chance to hold or to bond with you, do  
know that I prayed for you everyday you were here. I prayed  
everyday for a miracle. God knew what was best for you and that is  
why he called you home. You will always have a place in my heart.
