“ PenNee and I shared a friendship that was truly special. Hearing her voice on the other end of the phone was always nice. We shared the events of our lives with each other. The ups and downs, the joys and sorrows. I was honored to have her in attendance at my wedding 16 years ago. It was a rare occasion when I was greeted by anything other than joy and appreciation when I spoke to or visited with her. Our friendship began at Ritz Camera at over 25 years ago. She worked in the lab developing film and printing pictures and I was a sales person. I was always interested in the things done in the lab. She was always glad to guide me along and let me try my hand at printing pictures. Fun was also shared outside of life at Owings Mills Mall. Getting together to watch fights and other activities. One of the truly special memories I have along with her friends John and Val is being able to accompany her to see Prince when He came to Baltimore to perform. It was her first time seeing him. It was so often an encouragement seeing her resolve through her health challenges.

PenNee, may your light forever shine in our hearts.

I miss you and love you.

“ To the Goodman family,
We wish to extend our deepest sympathy to the family. Although this is a difficult time for the family, may you find comfort from what is stated in the Bible at Daniel 12:2 which reads, "many of those asleep in the dust of the ground will wake up".
