“ *Garry and I were former co-workers for both ADP and the City of Virginia Beach. He had a smile that would light up any room when he walked in!! My deepest condolences go out to his family and loved ones. Earth may have gotten darker, but Heaven definitely got brighter. It was nothing but a blessing that we crossed paths. Rest easy my friend!!! <3 <3 <3*

“ I am so heartbroken to hear of your passing. We had so many more happy hours, baseball games, double dates, random text messages left in us. I will miss you my friend!

*I felt an angel near today, though one I could not see
I felt an angel oh so close, sent to comfort me*

*I felt an angel's kiss, soft upon my cheek
And oh, without a single word of caring did it speak*

*I felt an angel's loving touch, soft upon my heart
And with that touch, I felt the pain and hurt within depart*

*I felt an angel's tepid tears, fall softly next to mine
And knew that as those tears did dry a new day would be mine*

*I felt an angel's silken wings enfold me with pure love
And felt a strength within me grow, a strength sent from above*

*I felt an angel oh so close, though one I could not see
I felt an angel near today, sent to comfort me.*
