

Gary M. Goode

February 18, 1954 - November 4, 2019

Gary Marshall Goode was born on February 18, 1954 to Evelyn Moreno and Bernard Chambers in Baltimore, MD. On Monday, November 4, 2019, during the evening hours after a long struggle with health complications, Gary went to be with the Lord.

Gary was educated in the Baltimore City Public School System. He met the love of his life Estell in June 1972 and was married in July of 1973. He enlisted in the Military in 1973 and was proud to be in the U.S. Army. They raised three beautiful daughters Christine, Alice and Nicole. After he departed the Military in 1979, he worked for various Roofing Companies and Asbestos Companies until he was physically unable to due to his health reasons.

He loved to spend quality time with his wife, children, grandchildren, family and friends. He loved to hand dance with his wife and his favorite music was from the Spinners, Temptations and the Four Tops. His smile and laughter were infectious and he always provided an encouraging word to all that he knew and met.

He became a member of True Deliverance Outreach Ministry under the guidance of the founder Overseer Michael Wallace Sr. and Lady Lisa Wallace. He rededicated his life back to God and was Baptized on May 2014. You could often find him kneeling by the bed or sitting at the end of the bed with

his bible in hand in prayer.

He is preceded in death by his beloved grandmother Lena Goode, his mother Evelyn Moreno, his father Bernard Chambers, his brother Jerome Johnson and sister Bernadine Mack.

He leaves to mourn: his loving wife, Estell Goode; daughters, Christine, Alice and Nicole Goode; his grandchildren, Naajiyah, laashia, Shawnteale, Anthony, Miguel and Jae'Lynn. He also leaves to mourn: four brothers, Harry (Bae), Leonard, Ronald, Eric (Ricky), Raymond; and three sisters, Frieda, Harriett and Evelyn (Winnie); and a host of family, friends and church family.

“ *without doubt i'll say if you're in need of getting rid of negative and degrading remarks on your credit report as fast as possible and also increasing your credit score as high as a 750+ range, QUADHACKED @ GMAIL . C O M is the credit specialist to go by, i'm sure most people in credit repair needs are not as bad as mine when i met him. why i'm so sure and speak this well about him is because he helped me and my daughter with our credit report and ever since then he helped her remove student loan that had been lurking for years which was there in the first place because her card got expired and she wasn't aware . and also she got into repossession trouble. he helped her sort this first hand , my daughter then recommended him to me. he helped me renegotiate three late payments history and had them removed. i was shook .i used to score 516. that's why i can confidently recommend him.since we met him i and my daughter are now in a 750+ range which is over +200 in increase since i met him. i'll say you send a descriptive message to email Q U A D H A C K E D @ G M A I L .
