“ My deepest & heartfelt sympathy is extended to Loretta Miller and family in the passing of your brother and loved one. May it comfort you to know that others care and are praying for you in your loss. As you seek the Lord for guidance, rest assured in knowing that, "Earth Has No Sorrow That Heaven Cannot Heal." “ Please accept my most sincere sympathy for your loss. The pain we feel when a loved one dies is truly so very hard to deal with. One day we have the promise from God that our loved ones will live again in a paradise earth that he is creating. This was his purpose from the beginning when he put Adam in the Garden of Eden. this is our home, and this is why none of us wants to die, because we were meant to live forever in a paradise. Jehovah God promises at 2nd Peter 3:13: "But there are new heavens and a new earth in which we are awaiting, according to his promise, and in these righteousness is to dwell." A peaceful world without sickness and death is what God desires for us. Then the dead will rise from the grave, because John 5:28,29 says, "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." Yes the dead will hear the voice of Jesus and come out of those graves to life everlasting. May these wonderful promises from Jehovah be of comfort to you, and help you to cope with your loss.##imported-begin##R
