“ Gary was a friend of mine for 50 years. We attended the magnificent “Lake Clifton Senior High School “ and both graduated in 1975. Gary was always proud to be a “Laker” and always supported the school as a member of the alumni association as well as assisting his class reunions. Gary was an accomplished musician, videographer as well as a dedicated worker at John’s Hopkins Bayview. His classmates are devastated with his passing because he was in everyone’s words “ a great guy”. Gary enjoyed his roll as being a dad and would light up whenever he talked about his daughter. He will truly be missed.
