“ I am very sorry about the death of Gayle. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says..It is reserved for men to die once for all time, but that was not the not the case before God passed judgement of sinful Adam.##imported-begin##JT Nunnally##imported-end##
