“ *My father was always proud of his family and after looking at Uncle Gene and hearing how well thought of, I can see why. At first I feared that there was some other reason I had not heard from Uncle Gene. Now I understand and Extend Sympathies on our behalves as well as those of my father Eddie, His Brothers and Our Uncles Paine, Charlie and Robert, To All of You.*

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
