“ *To My Aunt Geneva. The news of your passing has brought me such great sadness. Our family sends our deepest and heartfelt sympathy to the Leggett and Moody family in their time of sorrow.*

*I would like to take a moment and share the one, but many memories I loved about you Aunt Geneva, your smile and the laughter your face showed when you was happy. It was a comfort I will always treasure and will never forget. It has been many years that our path has cross, but I know you still had that same beautiful face I always remember. I apology that growing up, moving away and just living my life raising a family that I didn't stay in touch as I should have but if nothing else your passing has taught me a valueable lesson, don't forget your family and stay in touch. I would like to share a poem to you in in closing.*

*I am learning how to live in a new way since that day you were taken away. I am learning how to live with the things left unsaid knowing I got to say them with every tear that I shed. I am learning how to live knowing I will never again see your face and I have peace knowing YOU"RE in a better place. I am learning how to live knowing you're in God's care which gives me the strength to move on helping the pain much easier to bear.*

*Love you Always,  
Your Niece
