“ *(Romans 15:4) For all the things that were written aforetime were written for our instruction, that through our endurance and through the comfort from the Scriptures we might have hope. I am one of the international Bible Students in the area. I would like to send condolences to the family. There is a God of comfort and you can read your Bible so that he can help you during this time in your life. I hope these scriptures help comfort you.*

*(John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.*

“ I'd like to send my sincere condolences to the Collins family. Houston will live on in our hearts and minds. It does us well to reflect on the life and times shared with Houston as well as the wonderful stories shared. We can also find comfort in our Creators inspired word the Bible. John 5:28,29 and Revelation 21:3,4 give us the prospect of being able to see Houston again.

Loving Care,  
The Hills
