“ Please accept my condolences to you and your family during this time of bereavement. Death is never something that we get used to because we were not designed to die. Our loving God Jehovah created our first parents to live forever. Through their sin death was passed down to us. However, Jehovah gives us a future hope for our dead loved ones through his promises recorded in the Bible at John 5:28, “all those in the memorial tombs will hear his voice and come out”. He further explains what He will do with death at Isaiah 25:8, “He will actually swallow up death forever”. What a wonderful and loving God we have to be able to see our loved ones again and NEVER have to deal with death again! May you find comfort in the scriptures and prayer.

“ To the family, please accept my condolences. May you find comfort in the scriptures at Rev 21:3,4 where Almighty God promises to remove death. I hope this will encourage you during your time of bereavement.

*I send my deepest condolences to the family at this most difficult time. May you be comforted by the promise of the resurrection, and the end to sickness and death forever. God makes this wonderful promise to us at Isaiah 25:8. So soon death will be no more, and we won't have to bury our loved ones ever again. At John 5:28 God promises that all those in the memorial tombs will hear the voice of his Son Jesus, and come out of those tombs. May you find comfort in these wonderful promises from Jehovah God.*
