“ I am sorry to learn of the death of George. I am sure this must have been a difficult time for your family. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says, It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgment on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ *First I want to offer my sincere condolences to Mrs. Bryant and the rest of the Bryant family. I am sorry that I was not able to attend the services. My brother Brian and I were just quoting your father this past week. His wisdom and human insight still serves us today. My interaction with him made such an indelible mark on my time at Parks Sausage. There is no doubt in my mind that George Bryant is a genius and under different circumstances he could easily have been the president of the company that he devoted so much of his energy to. God Bless you and know that your family will be in prayers of my family. Love, Nikita "Nicki" Haysbert###imported-begin###Nikita Haysbert###imported-end###*
