“ My son, Matthew, played on the same Bays soccer team as Juwan. Matt joined the team when he was a little older so I was new to the parents. George always took time to talk to me. I spent many an hour talking to him. He was always kind, and funny. He would always say good things about my son to make me feel good. The last time I talked to him was when Catholic University played St. Mary's at St. Marys. I remember he was excited to have a cook out on his new grill. I was looking forward to sitting in the stands with him this Thursday when the teams play again. I was shocked and so sad to hear of his passing. He was a bright light. I loved how he dressed. Everything always matched and was ironed so well. I'm so sorry Juwan. I know your dad loved you so much and is watching out for you. He will be missed by all.
