“ I would like to send my condolences to all. Mr. George was 84 years years when he died, the bible say at Ps. 90:10, living a long time is something, some person will live to be 70 years and others 80 years because of speical mightiness. It would be wonderful to live forever never worrying about los a loved one any more. Imagine the happiness and joy to be had when the dead are resurrected in the near future. I am looking forward to that day and know you all are too. May these few words be uplifting to read.##imported-begin##Lillian Crosby##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ To the Sawyer, Losing a loved one to death is truly a sorrowful thing. May you find comfort in knowing the Jehovah God has provided a means for us to see our dead loved ones again by means of his son Christ Jesus. John 5:28, 29 tells us Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life..”

“ May you have peace and comfort from our heavenly father, Jehovah, the God of all comfort. When we lose a loved one our hearts ache so very much, because we miss that person so very much. Jehovah knows more than anyone else the deep pain death brings to the human family, so he has purposed through the precious blood of his son, Christ Jesus to restore life back to our loved ones in the near future. While on earth, Jesus was given the power from his father to ressurect people from the dead. He ressurected Lazarus after he had been dead for 4 days, and he ressurected a 12-year old girl. Mark 5:34-42. So in the future all in God's memory will be brought back to life. May those scriptures bring you comfort as well as a hope for the future.”

“ The lost of a loved one has an overwhelming impact on all and especially the immediate family. The pain and suffering alone is very hard to bear and no one should ever have to experience such a dark and sad time in life. However it seems to be no escape no matter the cause. I extend my deepest sympathy and thoughts of encouragement from the one who can remove such pain and grieving sorrow from the human family, that one is the Almighty Jehovah God. Jehovah is saddened over how life has turned due to the course of actions of our first parents Adam and Eve. However, because Jehovah is a loving God he has promised the offspring's of Adam and Eve a way out. In the near future He said death will be no more and the things that causes death will be no more according to Rev 21:3-4. This promise of life has always been Jehovah God's purpose for mankind according to Titus 1:2. This is a promise he can't lie about. Hebrews 6: 18 states of Jehovah God, it is impossible for him to lie. That is an encouraging hope. Also for those who suffer with all sorts of illness Isaiah 33:24 says it will come a time no one on the earth will say they are sick and the lame will walk Isaiah 35:6, the blind will see, Isaiah 35:5 and the greatest promise of them all will be when Jesus Christ will call all those in the memorial tombs to come out. Yes our loved ones will be blessed with a resurrection to life right here on earth. John 5:28-29 Yes Jehovah will resurrect those back to life to enjoy everlasting life with all their families and friends Ps 37: 10 states the meek will inherit the earth and reside upon it forever according to Ps 37:29. It's truly understandable since our heavenly father created the earth for man to live according to Isaiah 45:18. We can truly trust in God's written word because nothing he says will not return without results Isaiah 55:11. So we can dry our eyes due to the tears of sadness but tears of joy will flow when we can once again enjoy the lives of our loved ones temporarily lost to death.##imported-begin##B
