

George "Tommy" Albert Robinson III

July 6, 1961 - September 18, 2024

GEORGE A. ROBINSON III (TOMMY) departed this life on September 18, 2024, due to an illness he fought hard to beat. He was born July 6, 1961, to the late Jean Margaret Robinson and George Robinson II, and was brother of the late Sandra and Mark Robinson.

He grew up in West Baltimore playing baseball and working within the community recreation center. He attended Southwestern High School where he played football until he entered the workforce. He decided to become an entrepreneur because he was a “Jack of all trades” and loved doing things his way!

He enjoyed watching the Ravens, playing his lottery, going to the racetrack and dancing. His favorite dance was the “Tootsie Roll”; he loved working on his vehicles, and spending time with his family.

Tommy always went for what he wanted and allowed nothing to stop

him. He considered himself a Silverback, protector of his family and his environment. He stood his ground right or wrong and loved to announce his presence wherever he went, always stating his name and title. For example: "Tavon, Tishia this is your Father".

Those left to cherish his memory are his children, Tavon and Latishia Robinson; grandchildren, Devonta Robinson, Jett Robinson and Ayana Williams; great-grandson, Seven Robinson; granddaughter-in-law, Shalonda Robinson; surviving sister, Wanda Robinson; his significant other, his Dumpling, Jackie Wheatly; nephew, Kenneth; nieces, Sophia, Jermietra, Markia, Cashea and Tiara; and a host of great-nieces, -nephews, other family and friends.

His Journey's Just Begun

"Don't think of him as gone away, his journey's just begun, life holds so many facets this earth is only one. Just think of him as resting from the pain and sorrows

in a place of warmth and comfort where there are no days and years. Think how

he must be wishing that we could know today how nothing, but our sadness can

really pass away. And think of him as living in the hearts of those he touched... for

nothing loved is ever lost and he was loved so much

I will forever remember Tommy as a go getter..he had big dreams and he tried to make them happen. He would run up on me downtown and he would be hollering sister-in law..ifl didn't stop or turn around he would start calling me..Buffy as he ran up on me. He would make me laugh sharing old stories if things from back in the day and then he would say " gotta go see my lawyer" or gotta do this or that. I pray you all peace as I know George Robinson did this his way! I won't say rest George... his free spirit will soar.. He always has places to be. Family I send you all love and just be comforted knowing he will be watching over you all and smiling and laughing with his famous chuckle.
