“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ My most sincere condolences to your family on the loss of your loved one. May it bring comfort to you to know that God has a wonderful purpose to bring an end to death, and all of it's causes; and to bring about a world in which sickness and death will no longer be a part of people"s lives. 2nd Peter 3:13 says, "But there are new heavens and a new earth, in which we are awaiting, and in these reightousness wil dwell." During that time 1st Cor.15:26 lets us know, "As the last enemy, death will be brought to nothing." So please find comfort in Jehovah"s promises, because they will without fail come true, and if we meet Jehovah's requirements, we will be reunited with our loved ones once again.##imported-begin##R Johnson##imported-end##

“ To The Family, My condolences for your loss. May you receive much comfort and hope as you ponder over the promises found in the Bible. Jesus Christ himself promised paradise at Luke 23:43. Revelation 21:4 describes the conditions on the earth in paradise-"God will wipe away every tear from their eyes. There will be no more death, sadness, crying or pain. All the old ways are gone." May you receive solace as you think deeply on these loving promises of the Bible and the prospect of being with your loved one in paradise.##imported-begin##Sharon Hill##imported-end##
