“ *To our dear friend Gerald. We did not learn of your passing until now. We are so sorry that we did not get an opportunity to visit with you at the funeral home, or to share more timely condolences with your family. The struggle is over, dear friend. Now rest peacefully, we pray.*

Gerald was for a long time, since before graduating from John Marshall High School, the closest friend to my brother Woodrow Ross, Jr. We are deeply saddened to know this. May God keep the family in perfect peace as you labor through this period of bereavement. Earth has no sorrow that Heaven cannot heal.

You are in our thoughts and our prayers.
